I. SUBCONTRACTING

The Employer recognizes the need for preserving work and job opportunities for the employees covered by this Agreement. However, it recognizes that certain duties cannot be performed by the employees and that emergencies occur which make the use of outside contractors absolutely necessary. Accordingly, the Employer will use its best efforts not to subcontract out the work normally and usually performed by members of the bargaining unit, but in no way loses its right to subcontract out work for emergencies or to subcontract out work which is too large in scope for the bargaining unit to perform, or which is not regularly performed by the bargaining unit.

In determining the future continuance of work by the employee, the Employer shall take into consideration the nature of the work performed by the employee, his/her physical ability to perform such work, and a doctor's certificate shall be supplied to the Employer evidencing the employee's physical ability to perform the tasks involved in his/her employment. All new employees shall be required to furnish certified copies of their birth certificate at the time they are hired.

C. UNION SECURITY

1. The Employer agrees to maintenance of membership as defined in the Pennsylvania Employee Relations Act No. 195, to cover all employees who are members of the bargaining unit. Any employee who joins the Union must remain a member in good standing until the expiration date of the present Agreement.
2. During the term of this Agreement, an employee who fails to maintain his membership in the Union in good standing shall be discharged from employment within twenty-one (21) days after receipt of a written notice from the Union of the employee's failure to maintain membership in good standing.
3. An employee may, during the period of fifteen (15) days prior to the expiration of this Agreement, notify the Employer and the Union in writing that dues deductions authorizations hereinafter provided from and membership in said Union is to be terminated upon the expiration of this Agreement.

6. If any provision of this section is invalid under the law of the state wherein this Agreement is executed, such provisions shall be modified to comply with the requirements of state law, or shall be renegotiated for the purpose of adequate replacement. If such negotiations shall not result in a mutually satisfactory Agreement, the Union shall be permitted all legal recourse.
7. When the Employer needs additional men, it shall give the Union equal opportunity with all other sources to provide suitable applicants, but the Employer shall not be required to hire those referred by the Local Union.
8. Check-Off: The Employer agrees to deduct each month the required Union dues, initiation fees, and other assessments from the pay of those employees who request, in writing, that such deductions be made. During the term of this Agreement, the Employer shall be advised by the Union as to the amounts to be deducted. Once such deductions are made, the Employer shall remit alimonies deducted to the designated Union office, together with an itemized statement indicating each employee and amounts deducted for dues, initiation fees, or other assessments. The Employer agrees to remit all deducted monies along with the itemized list to the Union on or before the 15th of the month after such deductions are made.

If the Employer is unable to make such deductions from an employee's pay due to the employee being off because of sickness, vacation, temporary layoff, or any other reason, the Union will notify the Employer in writing after said employee returns to work of the

delinquent amounts owed by said employee and the procedure the Employer shall use to deduct the delinquent monies.

Subject to state and federal applicable statutes or case decisions, the Borough agrees that any employee who elects not to become a member of the Union shall be required to pay a fair share fee in accordance with applicable law. The Union shall notify the Borough as to the amount of money to be designated as the air share fee. The Borough agrees to deduct said amount in a manner similar to the procedure utilized for the employees who elected to become members of the Union

- 9. The Employer shall permit cross-training sessions of the proper use of the Parks Department equipment for use during the winter months so that in the event that a parks department person is unavailable, the Street Department will have this equipment at their disposal.
