6. Visitors

- a. All visitors will follow the CDC recommended safety protocols of wearing masks and social distancing when possible
- b. Visitors will affirm the health questionnaire and have a temperature check prior to admittance to camp for their visit

7. Additional Safety Measures

- a. Campers will be socially distanced as much as possible, and will be required to wear masks or face shields per current PA safety guidelines
- b. As much as possible, time will be spent outdoors through the day to reduce confined exposure
- c. When group is outside, a staff member will do a quick wipe down of all surfaces with disinfecting wipes
- d. Bathrooms will be cleaned 3 times a day (11am, 2pm, 4pm); staff will log cleaning and Director, or Assistant Director, will sign off on log after each cleaning
- e. Hand sanitizer will be available in front of camp room and on the supplies table
- f. Campers may only access items from bags with permission and supervision of a counselor to reduce the risk of transmission; campers must wash hands or use sanitizer after accessing bag
- g. Items from bags must stay in the bags on the team table unless necessary and are retrieved by a staff member with the child
- h. Absolutely NO ITEMS FROM HOME will be permitted to camp, except for prepared lunches, a change of clothes, and pool towels, and pool equipment
- i. Pool masks and snorkels will be permitted, but **may not be shared between campers**, and must be soaked in disinfecting solution after pool time, if time allows for air drying before pick up; if time does not allow, the mask is to be placed in a plastic bag to go home and should be sanitized when you return home and prior to your return to camp
