Online registration: <https://register.communitypass.net/DormontBorough> (we will waive the \$10 one-time registration fee per child!!!)

*Please note that a non-refundable deposit of \$20.00 per week is required to hold space for each child registered, and a camp slot is not confirmed until this deposit is received. Full payment, or cancellation, for each week of camp must be received by The Borough of Dormont no later than 4:30pm EST on the Monday before the registered week of camp. If payment is not received, an email will be sent on Tuesday, and if no response is received by the end of business, the spot will be forfeited, and payment will still be owed, including the \$25.00 late fee, unless the spot can be filled.

*Though we try to make Dormont Summer Camp as inclusive as possible, please note that we are not a special needs camp. Therefore, those children with needs that are beyond the scope of our staff may require family provided personal assistance in order for the child to attend camp (i.e. parent, therapeutic support staff (TSS), aide, etc.).

Here is a little bit about what camp has in store for your kiddos...For each week we will be having a special theme and will be using S.T.E.A.M. (**S**cience, **T**echnology, **E**ngineering, **A**rts, and **M**ath) based activities to offer your children a premier camp experience, filled with fun and learning, but shhh...don't tell them! Below are brief descriptions of what each week's theme holds in store.

Week 1 (June 13 – June 17) – Artful Antics

Take a walk on the inspired side and be wistful and wild! Let those creative juices flow while making a masterpiece or two...you never know where the next Picasso or Pollack may come from ☺ It might just be YOU!

Week 2 (June 20 – June 24) – Mad Science

Sometimes science is just...plain...boring...but NOT here! We will have a madcap, hair raising week filled with slimes and concoctions, with marvelous machines, and so much more, as we learn about just how mind blowing (and useful) science can be!

Week 3 (June 27 – July 1) – Under the Sea

Whether you have fins or feet, there is no doubt that the ocean is a great big, fascinating place! We will explore, from the safety of our camp, the wonders of the deep, and shallow, parts of the sea!

Week 4 (July 4 – July 8) – Holidayz!*

Independence Day is amazing and all, but have you ever wished Christmas came more than once a year? Or wanted to trick-or-treat in the summer? Well now is your chance. Let's celebrate every holiday we can in one week. Except for Independence Day, because we'll be closed that day to celebrate with our families and friends.

Week 5 (July 11 – July 15) – Star Wars

In a galaxy really, really close, we all dream of flying tie fighters and wielding lightsabers. But in order to be part of the Rebel Alliance, we need to know more about the science of space. This week's theme will have looking into the science of Star Wars. We may even have a visit from some local astronomers!

Week 6 (July 18 – July 22) – Archeology Adventures

If Indiana Jones is a hero of yours? Or perhaps you are a Goonie in search of One-eyed Willie's Pirate ship. If you are either, then this week of camp may be for you. The best part, you will be able to relish in precious treasures without being chased by giant boulders or the Fertelli's.

Week 7 (July 25 – July 29) – Wizarding World of Dormont

You have just gotten your letter to Hogworts! Soon you will explore the magical world around you, making fanciful potions and learning about mythical beasts that will amaze! No need to worry about dark arts here; we are all good little witches and wizards!

Week 8 (August 1 – August 5) – Zootopia

We may not be bunnies in the big city, but we are animals that are excited to take on new adventures with all that a camp has to offer. This week we will look at different biomes and investigate the animals that live in them. With all the fun we will be having, we may get a little on the wild side...but what else would you expect in Zootopia!

Week 9 (August 8 – August 12) – Clue Junior

Something has gone missing from camp...but who could be the thief??? Learn all the skill of a private eye to help solve our mystery. We'll learn about DNA, fingerprinting and other crime scene tools to solve the mystery and determine who dunnit?!?!?

Week 10 (August 15 – August 19) – Wings and Things

Join us as we explore the principles of flight in the natural world, and how humans have adapted those principles to suit our needs. Come fly away with us we learn how science can often imitate nature with wings and things.

As you can see, it is a fun-filled summer we have planned, and we are tremendously excited to begin! So glad your families will be joining us...see you soon!

* Camp will be closed Monday, July 4th in observance of the Independence Day holiday.
