Here is a little bit about what camp has in store for your kiddos...For each week we will be having a special theme and will be using S.T.E.A.M. (**S**cience, **T**echnology, **E**ngineering, **A**rts, and **M**ath) based activities to offer your children a premier camp experience, filled with fun and learning, but shhh...don't tell them! Below are brief descriptions of what each week's theme holds in store.

Week 1 (June 10 – June 14) – Archaeology Adventures

If Indiana Jones is a hero of yours? Or perhaps you are a Goonie in search of One-eyed Willie's Pirate ship. If you are either, then this week of camp may be for you. The best part, you will be able to relish in precious treasures without being chased by giant boulders or the Fertelli's.

Week 2 (June 17 – June 21) – Get a Clue, Dormont

Embark on a problem solving adventure where campers will gain and use detective skills to solve mysteries!

Week 3 (June 24 – June 28) – Star Wars

In a galaxy really, really close, we all dream of flying tie fighters and wielding lightsabers. But in order to be part of the Rebel Alliance, we need to know more about the science of space. This week's theme will have looking into the science of Star Wars.

Week 4* (July 1 – July 5) – Holidayz

Independence Day is amazing all, but have you ever wished your favorite Holidayz came more than once a year? Well now is your chance. We'll celebrate a variety of holidays in one week. Except for Independence Day, because we'll be closed that day to celebrate with families and friends.

* Camp will be closed Thursday, July 4th in observance of the Independence Day holiday.

Week 5 (July 8 – July 12) – There Goes My Hero

Heroes unite! Campers will learn about what it truly means to be hero! From teamwork, bravery, courage, campers will discover their inner hero!

Week 6 (July 15 – July 19) – Adventures in Seussland

If fun is what you are looking for, then we suggest you come through OUR door! We'll have games a plenty, way much more than twenty...if green eggs and ham are your thing, it might be something we can swing! So, come join us, one and all, we promise you will HAVE A BALL!

Week 7 (July 22 – July 26) – Wild America

Oh beautiful, for spacious skies, for amber waves of grain, for purple mountain majesties, above the fruited plains...these lyrics to America the Beautiful give us a great glimpse at the remarkable biomes found here in the good ol' USA. We will explore these biomes, and the creatures that live in them, as we take a "voyage" of discovery through Wild America!

Week 8 (July 29 – August 2) – Artful Antics

Take a walk on the inspired side and be wistful and wild! Let those creative juices flow while making a masterpiece or two...you never know where the next Picasso or Pollack may come from – it might just be YOU!

Week 9 (August 5 – August 9) – Inventor's Workshop

What do all inventors have in common...CREATIVITY! Join us as we team creativity with engineering to come up with some pretty awesome inventions. You don't have to be an Einstein or Edison to still be an inventor and have fun creating at camp!

As you can see, it is a fun-filled summer we have planned, and we are tremendously excited to begin!

So glad your families will be joining us...see you soon!
