CASPER COLOSIMO & SON, INC.
CCSI
PITTSBURGH, PA.

To Whom it may concern

Casper Colosimo and Son Inc. will be completing the first phase of the Pennsylvania American Water Company project which will involve the installation of a new watermain on Delwood Ave. The project begins at Dormont Ave and ends at the intersection of Kelton Ave. The scheduled start date is June 13, 2023, with the saw cutting of the pavement. The roadway will be closed to thru traffic during the completion of the project. No parking signs will be posted in the area where the crews will be working and move along with the completion of the project. Borough police will be on site during completion of the project.

This phase is expected to be completed by July 10, 2023, weather permitting.

Residents will have access to their driveways at any time during work hours.

7 AM – 5 PM Monday thru Friday

The next two phases of the project, which will include installation of new service lines to each individual resident and the paving and restoration of disturbed properties will follow at a later date. Residents will be notified in advance.

Special arrangements can be made with the onsite supervisor to help relieve any unseen situations.
