Here is a little bit about what camp has in store for your kiddos…For each week we will be having a special theme and will be using S.T.E.A.M. (**S**cience, **T**echnology, **E**ngineering, **A**rts, and **M**ath) based activities to offer your children a premier camp experience, filled with fun and learning, but shhh…don't tell them! Below are brief descriptions of what each week's theme holds in store.

Week 1 (June 8 – June 12) – Willy Wonka Week

Campers will explore the chocolate factory and bring the magic of *Charlie and the Chocolate Factory* to life with candy-making and creative crafts. This math strong week will feature some cooking and snacking.

Week 2 (June 15 – June 19) – Global Explorer

Campers will face age-appropriate Amazing Race-style challenges and travel around the world, right from Dormont! This week will include physical challenges, teamwork, and international trivia.

Week 3 (June 23 – June 26) – World Cup

Campers will learn about soccer and compete in a tournament designed for maximum fun and team spirit. Expect to break a sweat, create soccer-themed crafts, and a staff vs campers game!

Week 4 (June 29 – July 3) – There Goes My Hero!*

Campers will play as their own heroes and discover their super powers. Emphasis will be on color and large group play. Campers will also get to revisit Camp Con!

*** Camp will be closed Friday, July 3rd in observance of the Independence Day holiday.***

Week 5 (July 6 – July 10) – Inventor's Workshop

Campers will learn about simple machines and build cool things. This week will work heavily on engineering and design challenges.

Week 6 (July 13 – July 17) – Mission to Mars

Up, Up, and far away! Campers will visit the red planet and learn about surviving and thriving there. This week will focus on engineering and the science of space exploration.

Week 7 (July 20 – July 24) – CSI: Dormont

Campers will need math, science, and deductive reasoning to uncover the details in The Case of the Missing Mittens. Working in teams and independently, the young sleuths will seek to solve the age-old mystery for the 3 little kittens.

Week 8 (July 27 – July 31) – Grossology

Campers will use math and science to answer important gross questions like "what effect does sugar have on your teeth?" All of these projects will be hands-on and are not advised for those with tactile sensory concerns. We will also have a special guest: Mad Science!

Week 9 (August 3 – August 7) – Artful Antics

Campers will explore famous artists' works and recreate them. This week will involve different types of mediums and some art history.

As you can see, it is a fun-filled summer we have planned, and we are tremendously excited to begin! So glad your families will be joining us…see you soon!
